[Big News: Broadcom's 10-for-1 Stock Split Happens on July 12!](#)

2024-07-11 - Lucas From Support - Trading Activity Information

Hi Trader,

Have you heard? Broadcom's 10-for-1 stock split happens later this week!

What's Happening?

Starting July 15, 2024, Broadcom (AVGO) will be trading at one-tenth the price, following Nvidia last month, bringing its stock price down to Earth.

What Does This Mean for You?.

- **Lower Price:** Trade Broadcom with more flexibility!
- **10x Shares:** If you hold AVGO CFD shares on July 12, you'll have 10x post-split at the same total value.

Example:

1 CFD share at today's price of approximately \$1,745.99, will be worth 10 CFD shares priced at \$174.59 after the split.

Dates to Know:

- [July 12:](#) Extra CFD shares distributed after market close.
- [July 15:](#) Trading of Broadcom stock on a split basis begins.
