Scheduled Maintenance - Trading Platform: 26/06/2024, from 22:45 to 22:55 GMT+3

2024-06-26 - Lucas From Support - Technical

Dear Client,

We are going to perform scheduled maintenance of the MetaTrader server along with a system upgrade to improve your experience on our trading platform.

The scheduled maintenance will occur from **22:45 to 22:55 GMT+3** today, June 26, 2024

This will affect the MetaTrader desktop application, mobile application and WebTrader.

Kindly note: During this period, there may be a temporary disruption in our services on the MetaTrader trading platforms, with the possibility of multiple brief downtimes.

To ensure a smooth trading experience, we strongly suggest avoiding accessing the trading platform.

Visit our website for more detailed information.

We apologize for any inconvenience this may cause and appreciate your patience during this essential maintenance. Our team is working diligently to minimize the impact on your trading activities.

Best regards,

Trading Support
