Why pay elsewhere? Get BlackArrow Pro free here

2024-12-13 - Lucas From Support - Marketing

Hello Trader,

We're making the BlackArrow platform accessible to everyone at the **Pro level**—and the best part? It's completely **free**.

Where others charge \$29,95/month or force you to jump through hoops, we're handing you this premium subscription at **no cost, no conditions**.

Why are we giving you BlackArrow Pro for free? BlackArrow is Nelogica's top-tier trading platform, engineered for speed, agility, and precision. We believe all its powerful tools should be open to you without any barriers.

Courtesy of FXGlobe, enjoy Pro with:

- No minimum volume
- No subscription fees—save \$29,95/month instantly
- No commitments

Pro features you'll love:

- **Automation Ready:** Build or buy bots, test strategies, and run them hands-free.
- **Special Orders (Trailing Stop & Auto Breakeven):** Automate risk management without extra effort.
- **Market Replay:** Practice on historical data as if it's live, refining your strategies to aim for higher profits.

How to start using your free Pro plan:

Just create a BlackArrow account and begin trading—your complimentary Pro plan activates immediately
