

Additional Fees

Lucas From Support - 2024-01-17 - Withdraw Process

Additional fees.

For the smoothest withdrawals please make sure you've read our conditions.

1

Withdrawals without any trading activity since the last deposit will incur a fee of 3%. Note that If you deposit again the equivalent amount or more, after the withdrawal, the fee will be added back to your account balance upon your request.

2

There is an account closure / withdrawal of more than 94% of your whole balance fee of 4%. If you deposit again after the withdrawal, the fee that was deducted will be added back to your account balance upon your request.
