* Withdrawal requests are processed by our Back office Department within 1 working day, provided that all relevant documentation is submitted. Withdrawal requests are processed during business hours, 09:00–18:00 GMT+3, Monday to Friday. If the withdrawal request is received outside working hours, it will be processed the next working day. Once processed by us, the time needed for the funds to be transferred will vary depending on your payment method. The company cannot be held liable for any deposit/ withdrawal processing delays that are caused by payment systems. Should you encounter any delays after the provided time-frame please chat or email us at **backoffice@fxglobe.io** in order to investigate it.
