Exciting News! Our Web Platform is Getting an Upgrade!

2024-04-05 - Lucas From Support - Technical

Hi,

Big news! This weekend, our MetaTrader 5 web platform is getting a major upgrade!

Here's what's coming your way:

 New Interface: Say hello to a sleek and modern design, making trading easier and more intuitive.

 Enhanced Functionality: Enjoy the full set of MetaTrader 5 trade orders, advanced market depth, one-click trading, and more!

 Comprehensive Analysis: Dive into market analysis with 30 technical indicators, 24 graphical objects, and real-time quotes.

Need more details? Check out our blog post for more information.

Happy Trading,

The FXGlobe Team
