Scheduled Maintenance - Client Portal: March 23, 7:00 to 10:00 am UTC

2024-03-22 - Lucas From Support - Technical

Dear Client,

Heads up: The Client Portal will be down for maintenance on **March 23**, from **7:00 to 10:00 am UTC.**

We're tuning up our servers and adding some updates to make things run smoother and more securely for you.

What to Expect:

• **Faster Portal Access:** Improved performance for a better experience.

• **Upgraded Security:** Enhanced protections for your data.

• **New Features Coming Soon:** Keep an eye out for additional improvements.

For full details on the maintenance and what it means for you, click here.

Need more info? Reach out to our support team.

Thanks for your patience while we make these updates.

Best Regards,

FXGlobe Team
