Historical Data Added to BOV and WDO!

2024-03-08 - Lucas From Support - Trading Activity Information

Hey,

 Big news! We're thrilled to announce a major improvement to our **futures contracts BOV, BOVmini, and WDO.**

Here's the deal:

 We're adding historical data of past futures contracts to BOV, BOVmini, and WDO, giving you quick access to valuable insights for informed trading.

Remember, while pricing info is a useful reference, past performance doesn't guarantee future results.
